## Tai Chi skills for accompanying and healing

June 8<sup>th</sup> ( 18.30) – 13<sup>th</sup>. (after breakfast) in Candili, Evia, Greece.

In this course I will share the Tai Chi, Chi Gung and Meditation practices that can be applied when we are in the position of accompanying others who are suffering or who are in the final phase of their lives. I will also explore the use of the energy generated through these practices for healing.
